

Inspiring personality :

Walter Elias Disney (December 5, 1901 – December 15, 1966) was an American entrepreneur, animator, voice actor and film producer. A pioneer of the American animation industry, he introduced several developments in the production of cartoons.

As a film producer, Disney holds the record for most Academy Awards earned by an individual, having won 22 Oscars from 59 nominations. He was presented with two Golden Globe Special Achievement Awards and an Emmy Award, among other honors. Several of his films are included in the National Film Registry by the Library of Congress.

Memories of December

➤ Leadership Talk :

Shree Santkrupa Institute of Engineering & Technology, Ghogaon organized "Leadership Talk" on **Friday, 30th Dec 2022**, to initiate for bridge the gap between academia and industry. Chief Guests of the Talk were **Mr. Amarnath Chakradeo** (Co-Founder and Chief Technology Officer h2e Power Systems Private Limited, Pune), **Mr. Ravindra Deodhar** (Chairman & Managing Director, Pravi Auto Swing Private Limited, Pune) and **Mr. Sandeep Patravale** (President Technical , Strategies & Business Development) Sovisy Solutions (SMC/GRP Panel Tank Division, Ahmedabad).

The faculties & students of SSIET college actively participated in the event.

➤ Inauguration of Shree Santkrupa Institute of Engineering & Technology's " **Incubation Centre**" for Startups by the hands of Industry experts, Mr. Amarnath Chakradeo, Mr. Ravindra Deodhar & Mr. Sandeep Patravale.

➤ Guest lecture on " **Women Harassment & Laws** " was delivered by Ms. Anita Menkar, Police Inspector, Satara on 27 Dec 2022

POSITIVE THOUGHTS

Mahatma Gandhi :

Mohandas Karamchand Gandhi was an Indian lawyer, anti-colonial nationalist and political ethicist who employed nonviolent resistance to lead the successful campaign for India's independence from British rule. He inspired movements for civil rights and freedom across the world.

(2nd October 1869 – 30th January 1948)

- The future depends on what we do in the present.
- It's easy to stand in the crowd but it takes courage to stand alone.
- Our greatest ability as humans is not to change the world, but to change ourselves.
- Service without humility is selfishness and egotism.
- It does not require more money to live neat, clean, and dignified.
- My life is my message.
- Speak only if it improves upon the silence.
- Relationships are based on four principles: respect, understanding, acceptance and appreciation.
- Satisfaction lies in the effort, not in the attainment.
- Hate the sin, love the sinner.

- भविष्य इस बात पर निर्भर करता है कि हम वर्तमान में क्या करते हैं।
- भीड़ में खड़ा होना आसान है लेकिन अकेले खड़े होने के लिए हिम्मत चाहिए।
- इंसान के रूप में हमारी सबसे बड़ी क्षमता दुनिया को बदलने की नहीं, बल्कि खुद को बदलने की है।
- बिना विनम्रता के सेवा स्वार्थ और अहंकार है।
- स्वच्छ और गरिमापूर्ण जीवन जीने के लिए धन की आवश्यकता नहीं है।
- मेरा जीवन मेरा संदेश है।
- मौन से सुधरने पर ही बोलें।
- रिश्ते चार सिद्धांतों पर आधारित होते हैं : सम्मान, समझ, स्वीकृति और प्रशंसा।
- संतोष प्रयास में है, प्राप्ति में नहीं।
- पाप से घृणा करो, पापी से प्रेम करो।

सत्यमेव जयते ।

BEYOND CLASSROOM

Republic Day Celebration

Santkrupa Shikshan Sanstha celebrated 74th Republic day with great enthusiasm.

The president Hon. Dr. Usha Johari madam unfurled the national flag in the presence of faculties and students. The NSS cadets participated in the ceremonial March Past.

President Hon. Dr. Usha Johari madam spoke on the fundamental rights and obligations of all citizens of India to promote a spirit of patriotism and to uphold the unity of India. She said that it should be the concern of every individual especially the teaching faculty to guide young students towards the responsibilities to the nation and in character building. On this occasion Santkrupa Shikshan Sanstha's all units Principals, Staff members & students were actively present and celebrated 74th Republic day.

Fresher's Party – B.Tech

(Welcome Function)

SSIET held Fresher's Party (Welcome Function) for First Year B.Tech Students.

On 1st January 2023, at 11:00 a.m. Fresher's Party (Welcome Function) was organized for the newly admitted First Year Engineering students at SSIET.

Principal Dr. Swanand Kulkarni inaugurated the function and formally welcomed all newly admitted students to SSIET.

The students performed group dances, fashion show, Fishpond game etc. in the programme.

Principal, Registrar, HOD's and faculties welcomed the new students and congratulated the game winners. All the students enjoyed the function.

Alumni Meet - 2023

On 19th March 2023, SSIET held Alumni meet for engineering and diploma pass out students.

It was the first ever Alumni Meet organized by the Institute at huge scale and alumni from the batch 2010-11 were invited. The intention was to invite alumni of very initial batches of the Institute for visit and make them feel comfortable and satisfactory with progress and overall growth of the Institute.

Around 120+ alumni attend the function. It was very heart warming and emotional moment for everybody. Many of the alumni met one another after many years and shared their memories.

In auditorium, small function for the alumni was arranged. Principal Dr. Swanand Kulkarni, Registrar, HOD's, Alumni Cell In charge Mr. A. H. Jagdale and coordinators were present along with alumni, faculty members and students. The function started with Lamp lighting & Eesh-stawan. As decided, followed by formal welcome of all the alumni present and felicitation of all alumni by giving a gift as a token of love. Few alumni viz. Vishal Salunkhe (Batch 2011, Mechanical), Sapna Suryawanshi (Batch 2012, Computer), Ganesh Pawar (Batch 2013, Civil), Sushant Patil (Batch 2012, Electrical) and Rohit Chavan (Batch 2014, E & TC) shared memories of their college days and appreciated the development of institute for last four year. Their talk were truly motivating and emotional equally towards the Institute.

After that, principal Dr. Swanand Kulkarni addressed all the alumni and delivered a progress speech of the Institute. He mentioned how this institute has made growth in every aspect of technology in diversified fields and continuously striving for excellence. He also emphasized on the role and expectations from Alumni, being one of the major stake holders and bridge between the Institute and Industry. All alumni responded positively for this point. A small video presentation on progress and growth of the Institute and students was displayed. The function ended with a beautiful photo session program.

Alumni spent enough time with their friends and faculty. A wonderful event ended successfully on pleasant and emotional note of alumni.

BEYOND CLASSROOM

Women's Day Celebration

The purpose behind celebrating this day is to promote peace with women's rights. While every day is a women's day, this particular day is marked to honor all the women and their achievements regardless of the divisions, whether national, ethnic, linguistic, cultural, economic or political. The world is celebrating every year International Women's Day on 08th March.

Time and again, women have proved their worth by excelling in every field and bringing pride. They are not just powerful leaders in the economic and political domain but rule in sports, entertainment and other categories as well. From 1996 International Women's Day became a theme to celebrate Women in society.

On Women's Day (8th March 2023), our institute organized programme based on the theme of 'Stree Shakti' at Seminar Hall. The honorable Chief Guest, Principal Dr.Swanand Kulkarni, all HODs and ladies staff participated in Lamp lighting. Chief guest Dr.Swanand Kulkarni expressed his thoughts regarding Women's Leadership for Global Peace and Prosperity.

Jyotiba Phule Birth Anniversary Celebration

Birth anniversary of Mahatma Jyotiba Phule was celebrated at College, on 11 April 2022.

Academic Coordinator Mr. Santosh Patange garlanded the photo of Jyotiba Phule and paid floral tributes. All the teaching, non-teaching staff and students attended the programme and paid homage to Mahatma Jyotiba Phule with flowers.

Mahatma Jyotiba Phule was an anti-caste social reformer and writer. He worked in many fields, including the eradication of untouchability and the caste system. Jyothirao Phule promoted women's education. Jyotiba Phule along with his wife, Savitribai Phule, started first school for girls in 1848 in Pune.

Guest Lecture on Youth's social Responsibility

Internal Complaint Committee (ICC) organized guest lectures "Awareness about Student Grievances, Anti-ragging, Anti-sexual harassment" and "Youth's Social responsibility toward society" on 21 April 2023.

Chief Speaker Advocate Mr. Suryakant Mirje shared & guided to the students about ragging and its effect on life.

Also guest Advocate Mrs. Amruta Yadav guided and motivated the students about their social responsibility.

Annual Cultural Festival Celebration

Institute organizes co curricular as well as extracurricular activities at the Institute to foster the varied talents of the students and also is motivated and guided them to participate in events at various levels. The College Cultural Committee organizes annually various Cultural Activities under the name of "SPANDAN", which is aimed at the overall development of the students providing them an opportunity to interact amongst themselves and indulge in healthy competitions.

Spandan-2K23, the Annual Cultural Festival of Shree Santkrupa Institute of Engineering & Tech. was held on 1st March 2023 at Yashwantrao Chavan Town Hall, Karad.

The event was inaugurated by Chief guest Hon. Mandar Gune, Director (SG Phyto Pharm Pvt Ltd, Kolhapur).

Secretary Hon. Prasun Johari, Principal Dr.Swanand Kulkarni, all departmental HOD, teaching & Non-teaching staff presented for this event.

The fest was peppered with events such as Drama, Dance, Singing, and fashion show etc.

Traditional Day Celebration

Later on, cultural events are started with traditional dances & Skits by all department students and the program was ended with soft snacks at 04:30PM.

Kabaddi Championship Tournament- 2023

The principal Dr. Swanand Kulkarni distributed trophies among the winner and runner up teams. Consolation prizes and certificated were also distributed among all the participants. In his address, the principal applauded the efforts of Sports Committee of the College for holding the event. He also appreciated the players for their performance.

BEYOND CLASSROOM

Annual Sports – Spandan 2K23

An annual sports fest naming it “SPANDAN-2k23”, where students showed their great enthusiasm participating in various events including Kho-Kho, Kabbadi, Volleyball, Box-Cricket, Carrom, Chess and Badminton.

Boys participated in large number whereas Girls also showed interest in few events by participating in events like Badminton, Carrom, Kho-Kho and Chess.

Principal Dr. Swanand Kulkarni was the Chief Guest for the opening the sport event which held on 21th Feb 2023. The event took place from 21th Feb 2023 to 25th Feb 2023 in college campus. The event was a great success and number of students actively participated.

National Technology Day Celebration

National Technology Day has been celebrated with big canvas on 23rd May 2023. This day commemorate the historic nuclear test carried out by India on May 11, 1998, in Pokhran, Rajasthan.

Technical committee of SSIET, arranged a special programme to salute the ‘success of India’. Chief Guest of this Event is Mr.Nilesh Sane and Mr Amol Joshi.

Chief Guest ,Hon. Principal Dr.Swanand Kulkarni and all HOD’s and faculties paid tribute to Visvesvaraya. Technical committee head Prof. Bhagyashree Patil delivered speech regarding importance of this celebration.

On this event committee arranged Quiz competition, Project Exhibition and Poster presentation. Poster were displayed on boards and Chief guest were invited to judge the posters and projects.

At the evening of the day Prize distribution ceremony was arranged. The main purpose of the function was to felicitate the students on their success in various activities. Hon’ble Chief Guests felicitated the students. Principal Dr. Swanand Kulkarni addressed the students, he appreciated and congratulated all the prize-winners for their achievements.

Reading Inspiration Day Celebration

Bharat Ratna Dr. A.P.J. Abdul Kalam's birthday is being celebrated as "Reading Inspiration Day" across the state. Dr. Kalam always said that a good book is like a hundred friends. In order to inculcate the importance of reading among the young generation **SSIET, Ghogaon library committee organized a programme on 19th June,2023 the occasion of Reading Inspiration Day.**

The programme began with the lamp lighting by Hon. Principal Dr. Swanand Kulkarni & all departmental HOD’s. Mrs. Dipali Salunkhe (Library Incharge) addressed students. In her talk, she focused on the necessity & importance of book reading. With the reference to many great personality development.

On the occasion of Reading Inspiration Day, all faculties along with students spend some time in reading activity at central library hall.

International Yoga Day Celebration

Prof. Bharatraj Y. Bhosale
HOD, Mechanical Department

Registered for Ph.D. in Mechanical Engineering (Shivaji University A.Y. 2023-24). Successfully submitted synopsis on,
Research Topic: Investigating the Impact of Wire Coiled Inserts on Heat Transfer Characteristics in Heat Exchangers: Experimental and Computational Analysis.

Research Papers Published

1. Mr. Bhosale B.Y. (Mechanical Department) has published research paper titled **“REVOLUTION OF INDUSTRY 4.0 IN THE MECHANICAL ENGINEERING MANUFACTURING SECTOR ”** in *International Journal of Scientific Research and Engineering Development*, 2023.(e-ISSN: 2581 – 7175)
2. Mrs. Yadav P.J. (Electrical Department) has published research paper titled **“IOT BASED THREE PHASE OVER VOLTAGE AND UNDER VOLTAGE PROTECTON AND ALERT SYSTEM”** in journal *IJARIE 2023*.(e-ISSN: 2395-4396)
3. Mrs.Patil B.M. (Electrical Department) has published research paper titled **“GENERATE ELECTRICITY BY USING WASTE MATERIAL”** in journal *IRJMETS 2023*.(e-ISSN: 2582-5208)
4. Ms. Bhutkar H. S. (Electrical Department) has published research paper titled **“PLC BASED SMART RAILWAY ALARM SYSTEML”** in journal *IJARIE 2023*.(e-ISSN: 2582-5208)
5. Ms.Shinde S.M (Electrical Department) has published research paper titled **“SMART VACCUM CLEANER ROBOT”** in journal *IRJMETS2023*.(e-ISSN: 2582-5208)
6. Ms.Kokare M.P.(Electrical Department) has published research paper titled **“SOLAR PHOTOVOLTAIC PANEL CLEANING MECHANISM”** in journal *IJARIE 2023*.(e-ISSN: 2395-4396)

Books Published

1. Mr. Sawant L.S. (General Science Department) & Mr. Gaikwad S.S. (Mechanical Department) has published Book titled **“Differential Equation - Ordinary Differential Equations of First Order and First Degree”** in *LAP Lambert Academic Publishing 2023*. (ISBN: 978-620-6-15175-3)

Institute Achievement

Lab Development of Civil Engineering

Shree Santkrupa College of Engineering, purchased a new “Compression Testing Machine” (Rs.3,47,407/- Lakh) in Civil Engineering Department. The machine was inaugurated by the Secretary of our organization Hon'ble Mr. Prasun Johari Sir, and Principal Dr.Swanand Kulkarni. At this moment HOD Mr. Kumbhar S.N. and all Staff of Civil Department were present.

A Compression Testing Machine (CTM) is specially configured to determine a material's strength and deformation behavior under compressive load.

Solar Power Plant Installation

Our campus is renowned for promoting cleaner, greener and sustainable practices, and the solar power plant of 65KW capacity (Rs.38,00,000/- Lakh) which has been commissioned recently reaffirms our commitment to fight climate change and environmental degradation.

New bus for Student & Staff

Our college has purchased a new Bus (Rs. 22,00,000/- Lakh) to transport student & staff from various stops of villages. Our college provides safe and secure bus facility to pick-up and drops our students at notified timings and scheduled stops. We have our own fleet of buses designed as per the government norms and manned by trained and skilled drivers. Buses are also used for student's outings like Campus Placement Drives outside the campus, study tours and industrial visits, NSS programme, etc.

Vision and Mission of the Institute

VISION

To become a center of excellence in technical education, research and innovation for overall upliftment of society/stakeholders of Western Maharashtra.

MISSION

1. Adopt continually improving standards to the teaching-learning process.
2. Encourage the students for innovative ideas & research activities.
3. Develop professional ethics, values & skills to enable them to strive for excellence.

QUALITY POLICY

To establish “Center of Excellence” in Technical Education by:

- Appointing and retaining qualified faculty having good sound knowledge in the field of science and engineering stream and make special effort to train them.
- Developing excellent teaching – learning process by establishing cohesive bond between students, faculty and industries.
- Keeping consistency in better Academic results.
- Promoting association with well-known reputed Educational Institutes, Research Organizations and Industries.
