INDICUS SOFTWARE : KEY PRODUCTS

- Contineo LCNC Platform : Low code no code Platform currently being used by multinational companies

- NeoPilot Application Builder : Natural Language Enterprise Application Builder where you can build an application using natural language

- NeoPilot AI Agent : Empowering Enterprises and citizen developers to design, build, and commercialize their own AI agents. Many companies have standalone AI agents, but the combined power of Contineo and NeoPilot AI Agents stands out due to its seamless integration and real-time capabilities

- Agent Store : Buy and Sell AI Agents on the NeoPilot marketplace

Indicus Software has created ecosystem where individuals and businesses can thrive. Our platform, tools, services and AI agent technology will empower users to solve their own and others' problems and transform the world through "contineo.world".

65 Billion USD by 2027
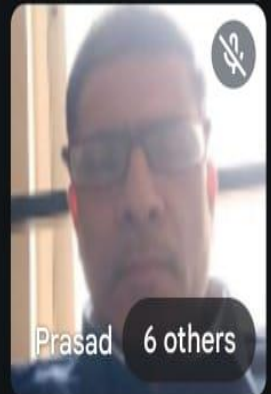

47 Billion USD by 2030
