POSITIVE THOUGHTS

Gautama Buddha :

The birth anniversary of Gautam Buddha, celebrated as Buddha Purnima. Gautama Buddha, also known as Siddhartha Gautama, Shakyamuni, or simply the Buddha, was a sage whose teachings served as the basis for the development of Buddhism.

Buddha taught the world the way to enlightenment by practising morality, meditation, and wisdom.

(480 BCE – 400 BCE)

- Do not dwell in the past, do not dream of the future, concentrate the mind on the present moment.
- Every morning we are born again. What we do today is what matters most.
- You will not be punished for your anger, you will be punished by your anger.
- The trouble is, you think you have time.
- If you light a lamp for somebody, it will also brighten your path.
- Happiness will never come to those who fail to appreciate what they already have.
- Learn this from water: loud splashes the brook but the oceans depth are calm.
- Your worst enemy cannot harm you as much as your own unguarded thoughts.
- Train your mind to see something good in everything.
- Rule your mind or it will rule you.

- भूतकाळात राहू नका, भविष्याची स्वप्ने पाहू नका, वर्तमानावर मन एकाग्र करा.
- रोज सकाळी आपला पुनर्जन्म होतो. आज आपण काय करतो हे सर्वात महत्त्वाचे आहे.
- तुम्हाला तुमच्या रागाची शिक्षा मिळणार नाही, तुमच्या रागाची शिक्षा मिळेल.
- अडचण अशी आहे की, तुम्हाला वाटते की तुमच्याकडे वेळ आहे.
- जर तुम्ही कोणासाठी दिवा लावला तर तुमचा मार्गही उजळून निघेल.
- जे त्यांच्याकडे आधीपासून असलेल्या गोष्टींची कदर करण्यात अपयशी ठरतात त्यांना आनंद कधीच मिळत नाही.
- पाण्यापासून हे शिका: मोठ्याने नाल्याला शिडकाव होतो पण समुद्राची खोली शांत असते.
- तुमचा सर्वात वाईट शत्रू तुम्हाला तुमच्या स्वतःच्या असुरक्षित विचारांइतके नुकसान करू शकत नाही.
- प्रत्येक गोष्टीत काहीतरी चांगलं पाहण्यासाठी तुमच्या मनाला प्रशिक्षित करा.
- तुमच्या मनावर राज्य करा नाहीतर ते तुमच्यावर राज्य करेल.

“Every human being is the author of his own health or disease.”

BEYOND CLASSROOM

Rangoli Competition

76th Independence day was celebrated at SSIET, with great enthusiasm. On same day, the NSS & Cultural committees of SSIET had organized a Rangoli competition. The theme for Rangoli competition was “Shivrajibhishekh 350”. All girl as well as boys students were participated in this event.

Induction Programme– 1st year

(17th Aug to 22nd Aug 2023)

For this year, Induction programme was held from 17th Aug 2023 to 22nd Aug 2023. This is an informative & educative programme to groom and nurture young engineering students to mould fraternity in the days to come. In these 8 days various activities, guest lectures, campus visits etc. are arranged.

Induction programme began with the students registration where they welcome by the Management, Principal & Teachers. To embed universal human values among students, various lecture were arranged. Along with this to develop team spirit in the students sport activities were conducted.

Technofun- 2023

15th Sept 2023, Engineers Day Celebration:

India has been celebrating Visvesvaraya's birth anniversary as Engineer's Day since 1968. Engineer's Day on 15th September as a mark of remembrance and tribute to Mokshagundam Visvesvaraya, who is considered as one of the greatest engineers in the country. Vishveshvaraya is also known as the father of Indian Engineering because of his enormous contributions and innovations in the field of engineering and development of society.

On Engineers Day we had organized a event TECHNOfUN (Technical Competitions) at SSIET. The Technical Event was comprising of Poster Presentation, Project Idea Presentation, Blind Code Writing & Treasure Hunt Competitions. Number of students participated in events and celebrated the Engineers Day with great enthusiasm. At the last exciting prizes were distributed within winners of these events.

This programme was inaugurated by Hon. Chief guest Mr.Ashvin Kurade(MD), Mr.Kedar Kharage(Marketing Head), Mr.Sandeep Patil(Director) all from Y Max Power Systems, Ichalkaranji. Hon. Principal Dr. Swanand Kulkarni felicitated chief guest. Mrs. Bhagyashree Patil madam introduced of chief guest. She mentioned all his achievements in the field of solar energy technology.

While addressing students, Mr.Ashvin Kurade(MD) stated the importance of engineering in our life. He and his team also give the presentation on 'Future in Solar energy & its applications'.

This event ended with the vote of thanks, who expressed gratitude towards all dignitaries committee members, students, coordinators, Teaching & Non-teaching staff & Students.

BEYOND CLASSROOM

Campus Recruitment Programme

Campus recruitment is a strategy for sourcing, engaging and hiring young talent for internship and entry-level positions. Campus recruitment is typically a tactic for medium- to large-sized companies with high-volume recruiting needs.

The purpose behind this programme is make a awareness in student before going to face campus recruitment.

This training program is organized by TPO department in collaboration with EduValley Consultancy, Karad.

This is 5 day programme for all Second, Third and Final Year students.
